

A TRADITION OF HOMETOWN SERVICE

We are an Independent Community Bank. We have an interest in the prosperity and well-being of our community.

For over 75 years we have provided a safe place for people to invest their money and have made loans to help our community grow.

When you have money to invest, need a loan, or have questions about services we offer, please stop in or give us a call.

BANKING ON A FIRST NAME BASIS

At some of the larger financial institutions, the customers are referred to by their account numbers.

At Community State Bank, we like to get to know our customers by name. We think the better we know you, the better we can serve your financial needs.
